DRS. W. VAN BRUINESSEN was born in Amsterdam in 1923. He obtained his Master's degree in Economics in 1949 and graduated as an accountant in 1952, obtaining both qualifications at The Amsterdam University. He was admitted to membership of The Nederlands Instituut van Registeraccountants a year later. He embarked on a public accountancy career and in 1958 became a partner of Frese, Hogeweg, Meyer and Hörchner.

Since January 1972 the latter firm, with another Netherlands firm of public accountants, has practised under the name of Klynveld Kraayenhof & Co.

Drs. van Bruinessen was elected Vice-President of The Netherlands Institute of Public Accountants in 1969 and became President in 1970. He is still a Councillor of the Institute.

In 1953 the Institute's Educational Board entrusted him with the training of the Institute's students in Business Economics ("The Theory of Ascertainment of Income and Net Equity"). He is the chairman of the Institute's committee set up to study the European harmonization of annual accounts of companies.

E. BEEKMAN is Senior Vice President Finance of KLM Royal Dutch Airlines and member of the Nederlands Instituut van Registeraccountants (N.I.v.R.A.). Born in 1917 he completed his accountancy studies in 1946. Before he took his present position Mr. Beekman was active during about 30 years in the retail-business as controller and finance director of a department store and of a chain store. Furthermore Mr. Beekman worked in the field of automation for National Cash Register in Europe and he is still a member of the board of the Nederlands Studiecentrum voor Informatica. Recently Mr. Beekman published some books on the subject of value-added tax. During 11 years he was a part-time lecturer in retailing at the business school (N.O.I.B.).
